WEDDINGS

Nestled at the gateway to the Karoo, less than two hours' scenic drive from Cape Town, Karoo One Hotel Village offers the perfect blank canvas for a truly unforgettable destination wedding. With accommodation sleeping up to 110 guests, the hotel village and upmarket AfriCamps boutique glamping tents, are surrounded by breathtaking landscapes of the Klein Karoo.

To keep the celebration carefree and the dance floor alive into the night, our weddings require a full venue exclusive booking.

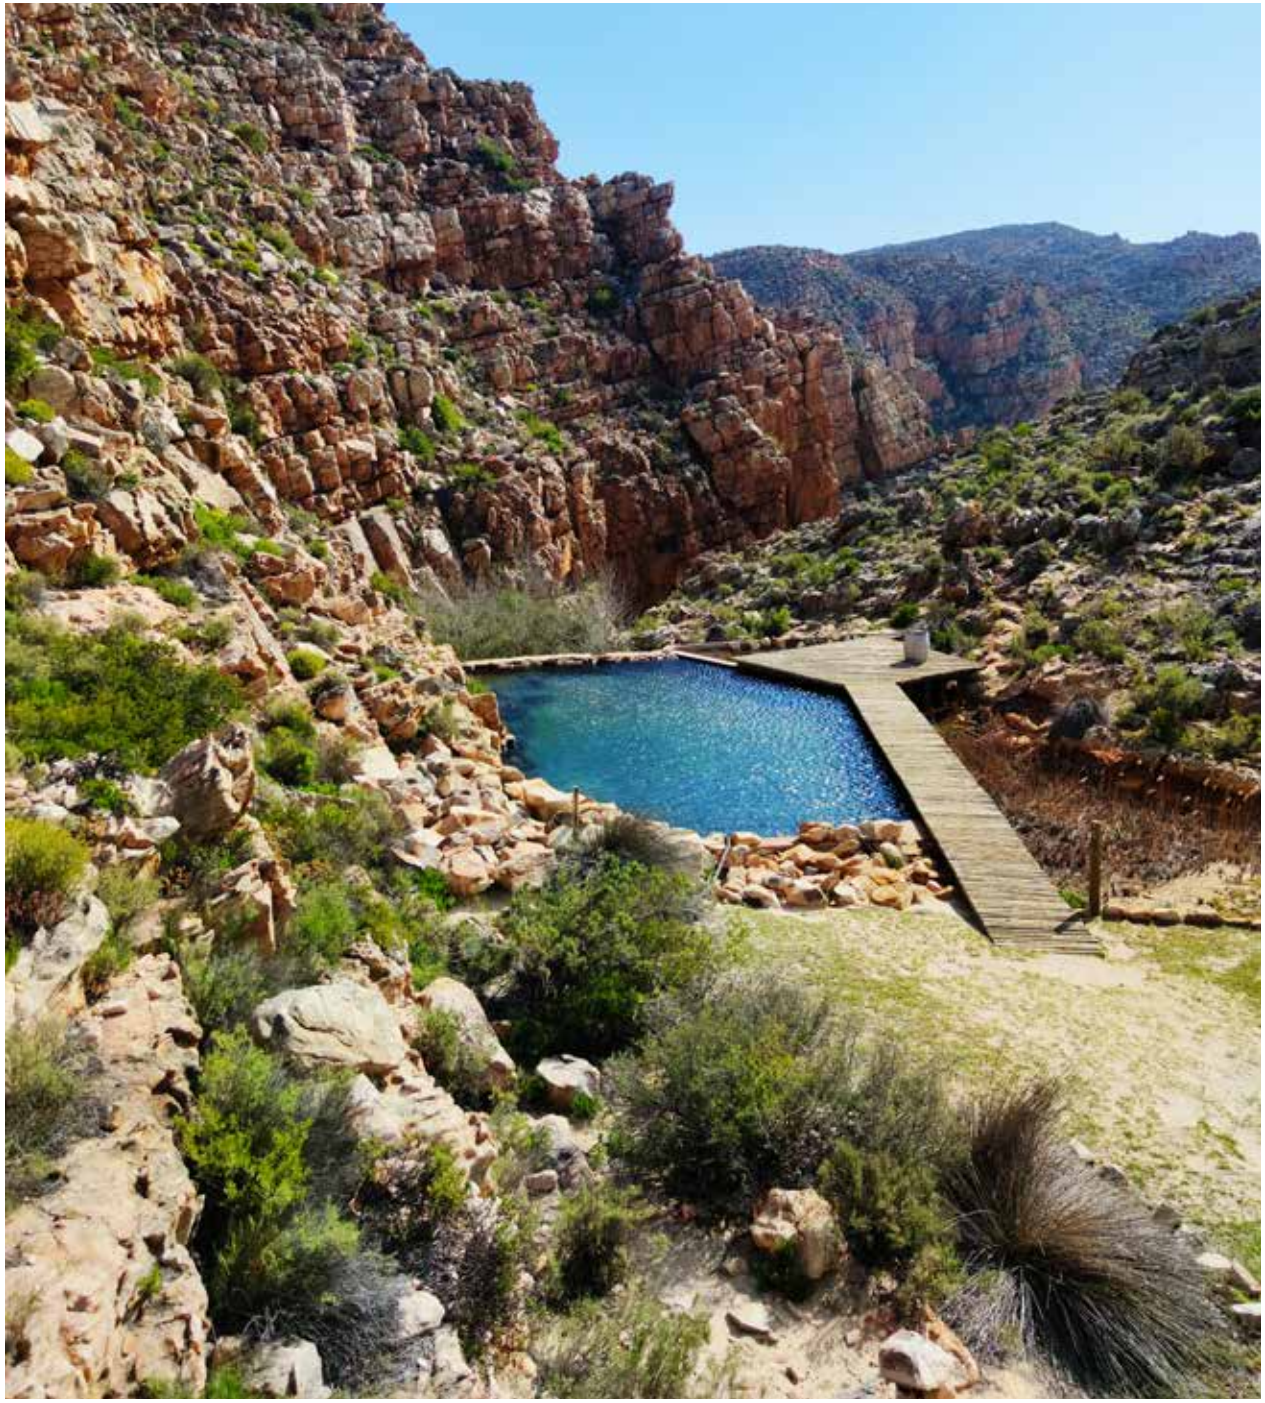

This ensures your guests have the whole Karoo One Village to themselves, no noise restrictions, no strangers, just pure celebration under the stars.

Think of it as your blank canvas in the Karoo: bring your own event planner, caterers, and creative touch, and we'll provide the backdrop...mountains, stars, and pure magic.

CEREMONY LOCATIONS

Choose from numerous ceremony locations, each offering its own charm...

The natural rock pool area, the rustic indoor wedding cellar, the chapel, or the relaxed outdoor brasserie.

You can mix and match these spaces for your ceremony, pre-drinks, and reception to create a seamless flow throughout your celebration.

Our main indoor venue seats up to 180 guests banquet-style. We also have several beautiful outdoor and alternative spaces that comfortably accommodate up to 180 pax. You will have plenty of room to celebrate and dance.

To ensure privacy and flexibility, all weddings at Karoo One require a full venue booking. This exclusive-use approach allows you to create a completely bespoke celebration.

ACCOMMODATION

Our on-site accommodation sleeps up to 110 guests, all within easy walking distance of our beautiful wedding chapel and reception areas. Booking your wedding ensures exclusive use of the farm, allowing your celebration to unfold exactly as you imagine.

PRICING & PACKAGE INCLUSIONS

Our wedding rate is made up of the venue fee + accommodation (in the hotel and AfriCamps tents). Booking both gives you exclusive use of the property.

BEST DAYS/SEASONS FOR VALUE

Our rates vary by occupancy. Winter months generally offer the most cost-effective options.

AVAILABILITY

For venue availability, please send your enquiry to bookings@karoo1.com noting your preferred dates and guest numbers.

ADDITIONAL SERVICES

Please see our services and activities sheet. We can incorporate a few fun activities into your event if you desire.

Karoo One is pet friendly.

CATERING

While we don't provide in-house catering for weddings, we'll gladly recommend excellent local caterers familiar with the property. We welcome outside caterers and provide access to fully equipped kitchens and catering facilities at our two stunning restaurant venues. Karoo One will operate the bar, including 2 barmen, at a discounted rate.

NO NOISE CURFEWS

Celebrate your once-in-a-lifetime weekend on our private Karoo farm where your loved ones stay close by, laughter fills the air, and no noise curfews mean the festivities can continue as long and as joyfully as your hearts desire. This is the beauty of the full venue hire.

EVENT FINISHING TIME

We're happy to keep the celebration going long into the night.

Additional staff such as scullers or waiters can be arranged at an extra charge. Celebrate into the early hours of the morning!

"Thank you so much! It was the wedding of our dreams and I can't believe our vision came true..."

Liezl Kruger - Bride

Days in the Karoo are slow and quiet with nothing much "going on" which has it's own allure, yet the evenings quietly transform into celestial grandeur.

DJ & Alison Addison - Bridal Party

I think you would be hard-pressed to find a more authentic example of Karoo hospitality than Karoo1. Truly a special, relaxed and atmospheric place for a wedding.
